Superintendent J. E. Wood desires us to state that owing to a serious attack of rheumatism, it has been impossible for him to make his regular visits to the schools that it was his purpose to make, and several schools have closed their terms before he could reach them. He feels sure the patrons and teachers will understand the situation and his misfortune. He has been very anxious to keep up his round of visits but just could not under the circumstances.

Hon B. F. Umstead, of the Pine Grove section, was in the city this morning. He is very enthusiastic over the fact that the cotton warehouse will be ready for cotton within the next thirty days. He says the farmers are doing exactly right in holding their cotton, that from the very best information he can obtain the crop this year is only about one-half the normal crop, but that the grade of cotton is very much superior to anything raised in Suwannee county for many years past. He says that every indication and fact justifies the holding of the crop.

Baptist Association Closed.
The Suwannee Baptist Association, which has been in session here for the past several days, has closed one of the best and most interesting sessions in its history. From the opening sermon to the closing song the interest was evident and the discussions above the average. High tide was reached Saturday morning, during the discussion of the reports on the Orphanage and Temperance, and the climax came with the 11 a. m. sermon by Rev. M. S. Stephens, of Perry.

The Association goes to Jennings next year, with B. A. Geiger to preach the introductory sermon and C. A. Ridley to preach the Missionary sermon. Rev. Mr. Geiger filled the Baptist pulpit yesterday morning and preached to a large congregation.

ROBINSON'S SHOW COMING

(Continued from first page.)

men bearing the appearance of showmen entered Raleigh and took up quarters for the night, Sunday and Monday. They were John G. Robinson, manager of John Robinson's circus; George S. Cole, the Napoleon of display advertising; George Fisher, twenty-four hour man; James Caskey field surveyor, and Doc Waddell, deformer of the truth. Mr. Robinson stands at the age of 35 the youngest and keenest of circus managers.

Mr. Cole has been with the Robinson's thirty years; Mr. Fisher, forty-five years; Mr. Caskey, twenty years. Waddell ran away from home when ten years old and has been with the Robinson's ever since. The circus started in 1821.

"All came to the city on the steam cars," said Waddell, except me—I, you know, am touring the country on the back of my elephant, Waddy. When an editor is upstairs the elephant's trunk becomes an elevator, and hoists up the snake story; if the editor is on the ground floor I use the elephant's trunk as a chute and unload my hot air the same as coal. Last night I played thunder at the hotel. I gave the elephant a drink at the water supply pipe. The suction was so powerful all water was shut off from the hotel, cooks and guests yelled down to the office 'No water.' Make out my bill. I'll leave this dry place." The clerk's life for a few moments was miserable indeed. Ten drummers were left high and dry in the bath. One little measly fellow was nearly drawn through the relief valve. Waddy and I have great times. We double, and both eat hay. Life is very pleasant, indeed."

And Then Himself—Whiskey Responsible for Bloody Work.
Gage, Okla., Oct. 22.—O. B. Heyworth, a farmer, today shot and instantly killed his wife, two daughters, aged 18 and 18 and a son aged 20. He then turned the weapon on himself, inflicting a mortal wound.

Heyworth had spent the night drinking in Guthrie. When he returned home he went directly to the room where his wife was asleep and shot her. The son went to investigate and was shot down by his father. The two girls were killed as they rushed from their room.

REMOVED THE SHERIFF.

Who Allowed Lynchers to Take Prisoner From Jail.
Columbia, S. C., Oct. 22.—Gov. Heyward yesterday removed Sheriff M. M. Limehouse, of Dorchester, pending his trial on the indictment found last week for misfeasance of office.

His proclamation was issued promptly on receipt of the regular certificate showing that the grand jury had found a true bill and a certified transcript of the evidence.

Sheriff Limehouse's removal is due to the lynching of Willie Spain, a negro at St. George, several months ago.
